CLUB 200 Lottery

The AYC is launching a new fundraising lottery called Club 200. It is designed to fund small, prespecified projects in the Club over a 6-month period and every month will award nine prizes ranging from £100 to £25. If less than the 200 tickets are sold, the prizes will be scaled back proportionately, but your chances of winning will improve!!

Each ticket will cost £25 and is valid for 6 months. If all the tickets are sold, this will raise £5,000 of which £2,400 will go towards prize money and £2,600 towards the chosen project. The prize money will be allocated over 6 months in £400 bundles per month with one prize of £100, four prizes of £50 and four prizes of £25. The winning tickets go back into the draw for the following month meaning that a single ticket offers 42 opportunities to win over the 6-month period!!

The draw will take place on the first Sunday lunchtime of every month in the clubhouse.

The Clubhouse

The first project to benefit from Club 200 will be the completion of redecoration of the clubhouse for the benefit of you, the members. We will be hosting five high-profile national and regional open meetings in 2012, and we will use these events and open days to showcase our facilities and to raise the Club's profile through press releases in the local press and national magazines.

The clubhouse was decorated last year but funding shortages meant that a number of areas were left untouched. These are primarily the bar, changing rooms and furnishings. We are grateful that one of our suppliers, Fullers, has most generously agreed to support us in this undertaken by renewing the bar furniture, including new pumps and piping that will give a great new look and also significantly reduce our wastage and contribute to the bar's profitability.

We want to raise our Club's profile considerably and succeed in a major membership drive; good changing rooms, a clubhouse that is inviting with dining and lounge areas as well as a wet bar area, and a modern vibrant bar will be essential to our success and will be facilities that we all will be able to enjoy.

The clubhouse is 50 years old in 2012; bringing its facilities up to date and making it the focus of a programme to renew the Club and drive it forwards is a great way of celebrating its jubilee anniversary. The clubhouse is our greatest asset with stunning views and a prime location.

Please support the Club 200 lottery; for an investment in Club 200 of less than £5 per month, you could win £100 or more.
