Sailors' Evening – Supper & Talk

Guest Speaker

David Cusworth
of Clipper Ventures

Clipper Ventures Plc was founded by Sir Robin Knox-Johnston in 1995 to develop and promote major marine events capable of attracting significant participation, media coverage and associated sponsorship revenue, including the **Clipper Round the World Yacht Race**. Ten months, 35,000 miles of ocean racing and around 400 people facing the challenge of a lifetime. When the starting gun went off for the Clipper 09-10 Round the World Yacht Race on 13 September 2009 the fleet of ten sleek, stripped down 68-foot yachts embarked on a full circumnavigation of the globe. Come and hear all about the race and other "ventures" put on by this organising company by David Cusworth, the company's Crew Recruitment Manager.
